Respirex International Ltd.

EC Directive 89/686/EEC

EC Type-examination

Issue 3

PPE Product

Respirex (logo) COMB series Chemical Protective Coveralls, manufactured from Green C2 PVC coated polyester fabric (Respirex Part No. A00038), which are available in five nominal sizes and various design options for the collars/hoods (H), sleeve terminations (S), leg terminations (L) and zips/overflaps (Z); product code: COMB038H**S**L**Z**, where ** is the relevant option code.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements in the relevant harmonized standard:

EN 14605:2005 + A1:2009 (Type 3 & Type 4, full body chemical protective clothing with liquid-tight & spray-tight connections).

The manufacturer's information notices (BS\023\B\2013 & BS/A00038/F/13), in English, have been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file reference: TF085, issue B

SGS Reference Number: GB/PP 229580
